

Sports Premium Review 2013/2014

Withington Primary School

Funding Available Annually: £8,215

The Department for Education tells us that:

“The government is providing additional funding of £150million per annum for academic year 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools”.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Withington Primary School has committed to improving the provision of PE and sport, working towards achieving four key priorities.

1. To improve the quality of teaching and diversity of the curriculum in order for all pupils to make regular and sustained progress.
2. To increase opportunities for all pupils to participate in a range of extra-curricular and competitive sporting opportunities.
3. To use physical activity to improve pupils health, wellbeing and educational outcomes.
4. To use PE, school sport and physical activity to impact on whole school priorities.

The breakdown of spending was as follows:

| | |
|-----|--|
| 61% | Hiring specialist PE teachers or qualified sports coaches. |
| 16% | Transport to increase participation opportunities for pupils in sports festivals and competitions. |
| 14% | All Stars delivery |
| 4% | Increasing participation in opportunities for pupils to take part in extra-curricular football activities with FA coaches. |
| 5% | Increasing knowledge of healthy meals and lifestyles. |

Impact

As a result of the above

- 100% of pupils in ks1 and ks2 accessed 2hours of quality PE per week from specialist teachers or PE co-ordinator.
- 100% of pupils accessed a PE curriculum which offers a broad range of activities and competitive situations.

- 100% of pupils received specialist PE delivery as part of the curriculum.
- 100% of PE staff engaged in CPD opportunities within school focusing on the delivery of KS2 PE through the Matalan programme and increasing knowledge of the new PE curriculum.
- KS1 and KS2 had the opportunity to attend after school sporting clubs free of charge through All stars and with FA coaches. 26% of children attended.
- 100% of KS1 and KS2 pupils accessed sessions based around healthy eating and lifestyles free of charge.

Next steps

Our experience this year informs us that the focus for PE and school sport will include:

- Continue to invest in CPD for staff to maintain and improve the quality of teaching and learning in PE.
- Continue to invest in specialist teachers and coaches to have maximum impact on pupils.
- Offer a range of after school clubs that focus on different sports to gain children's interest.
- Continue to develop schools football team to compete in more tournaments and competitions.
- Increase the opportunities for ks1 and ks2 children to compete in inter school competitions and festivals.
- Develop knowledge and understanding of healthy active lifestyles, through activities which promote health and fitness.
- Continue to educate children on healthy eating options and preparing food through Eat your Veg sessions.
